- Selected to represent the school at the 2027 International Mathematical Modelling Challenge (IMMC) and the 2027 PolyU Science Talents Competition.

Upcoming

ACADEMIC PERFORMANCE

Physics	S4 · 1st in form
Additional Mathematics	S4 · 1st in form

04 Achievements

Results from external competitions and long-term interests.

Feb 2025

Go (Weiqi)

Reached a ranking of 5 dan, competing regularly since childhood.

Competition names to be added. TO FILL IN

2026

Hong Kong Physics Olympiad

Third Honour

05 Work Experience

Internship experience.

Intern

Sanfield

15–16 October 2026

Learned to build software using AI-assisted development (vibecoding) during an internship at Sanfield.

Details of what I built will be added here. TO FILL IN

06 Project Experience

Two International Baccalaureate projects, both still in progress.

IB CAS Project

In progress

Self-initiated a project to visit a local children's community centre to demonstrate and teach science experiments.

IB Extended Essay (EE)

Not started

Planned 4,000-word research paper in Physics.

Research topic to be confirmed. TO FILL IN

07 Hobbies

Activities I have committed to over the long term.

Go (Weiqi)

Played for 12 years and won numerous competitions, reaching a rank of 5 dan.

Competition names and years to be added. TO FILL IN

Table Tennis

Played for 2 years.

School team or competition record to be added. TO FILL IN
